

**Job Title:** Business Intelligence Analyst

**Location:** HDQ (Salt Lake City)

**Description:**

AgReserves, Inc. is a multi-national, multi-corporate company that operates investment farms and ranches throughout the world. AgReserves currently has an opening for a Business Intelligence (BI) Analyst. The BI Analyst will use BI to help the organization meet the objective of becoming world class. She or He will work with BI tools (specifically MicroStrategy) to provide actionable information to system users. She or He will train users to properly access data, use BI tools, and reports.

- Work with and understand the data and reporting information needs of domestic and international operations.
- Develop, maintain, and support official company reports, documents, and dashboards.
- Provide technical support and training for BI users.
- Research and develop techniques, procedures, and tools for more efficient use of resources in the BI environment.
- Collect and analyze data, create reports, and present data findings to senior leadership.
- Maintain and support MicroStrategy, Crystal Reports, SSRS, and other official reports.
- Participate in design/reporting reviews for potential new systems.
- Complete other duties as assigned.

**Skills/Education Required:**

- Bachelor's degree in information systems, business or equivalent experience
- 3-5 years of relevant experience
- MicroStrategy, SQL Server Reporting Services, Crystal Reports, and/or other BI software experience
- Knowledge of dimensional modeling, databases, data warehousing, T-SQL
- Must possess initiative, creativity, good problem-solving skills, and be highly analytical and self-motivated
- Familiarity with financial and managerial reporting needs
- Excellent communication and interpersonal skills
- Spanish or Portuguese language skills helpful

**Benefits:**

Salary is competitive and will be based on experience. Full-time employees receive excellent benefits including: Medical, Dental, Group Term Life, Disability, Pension Benefits (401K and Defined Contribution Plan) and Flex-Spending. We offer paid vacation and sick time, paid parental leave and tuition reimbursement.
