

Job Title: Financial Reporting Manager

Location: Salt Lake City, UT

Company Overview:

AgReserves, Inc. is a multi-national, multi-corporate company that operates investment farms and ranches throughout the world.

Description:

We have an opening for a Financial Reporting Manager. The Financial Reporting Manager contributes to the success of the company by facilitating and overseeing the reporting of consolidated financial forecasts and results to management, which then allows management to make informed decisions. The Financial Reporting Manager also contributes by constantly developing and refining a more efficient financial process. Under the direction of the Corporate Controller and the Area Controllers, the Financial Reporting Manager will oversee consolidated reporting, budget and forecast reporting, and financial analysis. Primary responsibilities will include:

- **Consolidated Financial Reporting** - Prepare and review the company's consolidated quarterly and annual audited financial statements; various financial reports for the company's senior management and advisory committee.
- **Budgeting and Forecasting Support** – Responsible for the company's consolidated budgeting and forecasting process and reporting.
- **Audit/Compliance** - Ensure timely and full compliance with various audit and reporting requirements.
- **High-Level Accounting** - Ensure that all necessary elimination and reclassification entries are recorded as part of the consolidation procedures.
- **Report Development** – Develop primarily centralized managerial, financial, and tax reporting, and may also be involved in production reporting for the various business units.
- **Financial Analysis** - Review and analyze various balance sheet and income statement accounts for trends and variances; key business processes; and account reconciliations.
- **GAAP Specialist** - Implement new accounting pronouncements and disclosure requirements. Update company policies as needed.

Additional responsibilities will also include:

- Maintain Chart of Accounts
- Reconcile certain company-wide accounts (e.g., equity, pension accounts, etc.)
- Assist and train controllers with monthly and quarterly reporting
- Foreign currency conversion
- Process improvement regarding reporting, budgeting, forecasting, and performance management
- Create, distribute and track reporting dates and calendars

Skills/Education Required:

- B.S. in Accounting required; MAcc, MBA, CPA, or CMA preferred.
- 5 to 7 years financial reporting and accounting experience. CPA firm experience preferred.
- Applied working knowledge of U.S. Generally Accepted Accounting Principles (GAAP), cost accounting, tax, SOX principles, and applicable law.
- High competency with software packages, including accounting software, spreadsheets, relational databases, word processing, data extraction, email, etc.
- Excellent communication skills— written and verbal.
- Team mentality; service oriented; performance driven; analytical; high ethics; demonstrated ability to innovate and be a change agent.
- Demonstrated ability to supervise others effectively.
- Fluent Spanish and/or Portuguese language skills preferred.

Benefits:

Salary is competitive and will be based on experience. Full-time employees receive excellent benefits including: Medical, Dental, Group Term Life, Disability, Pension Benefits (401K and Defined Contribution Plan) and Flex-Spending. We offer paid vacation and sick time, paid parental leave and tuition reimbursement.
