

**Job Title: Senior Accountant**

**Location: Elberta, Utah**

AgReserves, Inc. (ARI) is a multi-national, multi-corporate company that operates investment farms and ranches throughout the world. ARI currently has an opening for a Senior Accountant at their Elbertra Valley Ag. location in Elberta, Utah.

**Position Description:**

The senior accountant should be dedicated in implementing policies to ensure the protection of company assets as well as the reputation of company employees. The Senior accountant should be a key element in keeping the employees fully apprised to the financial status of the operation through the detailed enterprise accounting that is applicable to that operation. In addition, the Senior accountant should work with the production team in developing short, medium, and long-term strategic plans.

**Essential Job Functions:**

- Understand company policies and ensure compliance with them. Raise any issues regarding this to your supervisor.
- Accounting books, managerial and financial reporting to be maintained according to GAAP and company accounting procedures and guidelines.
- Timely reporting to management and corporate headquarters.
- Maintenance of up to date reconciliations for all balance sheet accounts including but not limited to Accounts Receivable, Asset Management, Accounts Payable, Long Term Liabilities, and supporting harvest and/or shipping data.
- Internal Control compliance. Participate in any internal audits undertaken by corporate. In no corporate audit is scheduled, then undergo self-evaluation within the local site that represents the stewardship assignment.
- Demonstrate progress and completion of defined and approved goals and personal development programs.
- Exercise sound professional judgement and vigilance.
- Active and collaborative participation in identification and mitigation of potential risks and threats to the company.

**Skills and Other Qualifications Required:**

- B.S. in Accounting required. Masters, CPA or CMA desirable.
- 3-5 years experience in accounting. Cost accounting experience desirable.
- Working understanding of how operational income applies to tax and SOX principles and laws.
- Familiarity and experience relating to Human Resource issues and payroll processing.
- Familiarity and high competency relating to software used in processing accounting transaction, relational databases, spreadsheets, word processing, email, internet, and other related business applications.
- Strong communication skills, both oral and written a must.
- Highly motivated toward a service orientation and team mentality. Performance driven, high ethics and ability to be innovative and change oriented.
- Skilled in analytical review and reaching management conclusion from financial information.

NOTE: The specific statements shown in each section of this job announcement are not intended to be all- inclusive, but represent typical elements and criteria considered necessary to successfully perform the job.

**Benefits:**

Excellent benefit package includes: medical, dental, retirement plans (401k and other retirement plan), flex-spending, and other miscellaneous benefits.

AgReserves, Inc. is an equal opportunity employer.
