

Job Posting: Senior Accountant

Location: River Point Farms – Hermiston, OR

Company Profile:

River Point Farms (RPF) is a subsidiary of AgReserves, Inc. (ARI). ARI is a multi-national, multi-corporate company that operates investment farms and ranches throughout the world. RPF currently has an opening for a Senior Accountant based at its Hermiston, Oregon onion packing and processing operations.

Position Description:

The Senior Accountant is a member of the local accounting / finance team which oversees the accounting functions for River Point Farms, supports management efforts by providing timely and relevant information for decisions, and ensures compliance with corporate policies, and reporting to the owner. This position reports to the assistant controller.

Essential Job Functions:

- Assist in implementing onsite accounting, finance and database activities
- Prepare or review monthly management reports for all related enterprises and support centers
- Oversee the performance of basic monthly, crop year and annual accounting for RPF
- Assist in preparing operating and capital budgets
- Compile and submit important tax related information to company headquarters
- Perform monthly closings, reconciliations, budget preparations, year-end estimates, cash flow analysis, capital expenditure forecasting; report all of these and any others in a timely manner
- Assist in supporting and furthering company efforts to standardize and simplify business processes and in implementing finance related initiatives
- Monitor Accounts Receivable to ensure that customer credit balances stay within established terms and limits
- Ensure internal controls exist to adequately mitigate risk inherent in key processes.

Skills and Other Qualifications Required:

- B.S in Accounting required. CPA desirable.
- 4-6 years' experience in accounting. Cost accounting experience desirable.
- Exceptional communication skills both written and oral. Bilingual Spanish/English a plus
- Ability to analyze and interpret financial information to assist management in reaching decisions
- Working knowledge of how tax laws apply to operating income
- Solid understanding of GAAP principles
- High competency with software used in processing accounting transactions, relational databases, spreadsheets and other business applications
- Ability to supervise, develop and train others

Salary/Benefits: Salary is based on experience and qualifications. Benefits include: Medical, Dental, Group Term Life, Disability, Retirement Savings Programs (401k and Retirement Plus Plan), Flex-Spending, and other value-added benefits.
