Job Description:

Senior Accountant – Rotational Development Program

Location:

Kennewick, WA

Description:

AgReserves, Inc. is a multi-national, multi-corporate company that operates investment farms and ranches throughout the world.

The Senior Accountant – Rotational Development Program position is a two-year rotational program designed to develop the future financial leaders of our company. The program is designed to teach critical aspects of the company's accounting functions, internal controls, policies, procedures and business processes so program members can effectively influence the future direction of the company. The Program will require some travel. Upon successful completion, program members will be assigned a permanent position at one of the company's business units (relocation required).

Duties and Responsibilities:

- Work with the controllership, management, and company business units on accounting, reporting and analysis.
- Maintain complete and accurate accounting records.
- Prepare journal entries and conduct reconciliation of the general ledger and general ledger accounts. Prepare analysis to ensure accounts are properly stated.
- Participate in month end closing for multiple companies.
- Perform proper review to ensure that accounting records are accurate, complete and that ledgers are closed in a timely manner.
- Participate in preparation of annual budgets.
- Advise managers in financial matters where appropriate.
- Assist with process improvement and project development oversight.
- Monitor payables, budget variances, and important trends.
- Ensure internal controls exist to adequately mitigate risk inherent in key processes (i.e. receivables, payables, etc.).
- Participate in a functional rotation program to acquire knowledge in major finance and accounting functions.

Skills/Education Required

- B.S. in Accounting or related degree required; MAcc, MBA, CPA, CMA or potential candidate preferred
- 2-5 years' experience in accounting; public accounting (audit) experience preferred.
- High competency with ERP accounting software, spreadsheets, databases, data extraction, and Microsoft Office. Infor Lawson and/or Great Plains experience preferred.
- Excellent analytical, interpersonal, and communication skills.
- Demonstrated ability to work well with senior management.

Benefits:

Salary is commensurate with experience. Full-time employees receive excellent benefits including: Medical, Dental, Group Term Life, Disability, Pension Plan Plus (401k and Pension Benefits), Flex-Spending, and other miscellaneous value-added benefits.

AgReserves, Inc. offers education assistance and is willing to cover the costs of various professional credentials and certifications.
